Registration for the MPE Used Curriculum Sale has begun and will continue through May 15. 75 six-foot tables will be available. Tables will be assigned first to MPE members on a first-come, first-serve basis. Tables to non-members will be assigned starting May 1. Once all tables are reserved, those requesting tables will be placed on a waiting list.

Seller Registration Instructions

1. Your reservation must be postmarked before May 15.
2. To reserve your table, fill out the registration form, and your check if you are not a member. Please include a Self-Addressed, Stamped Envelope IF you do not have an email address.
3. Your confirmation will be by email or the instruction letter returned to you in your SASE if you don't have an email address.
4. If you don't have many items to sell and would like to share a table with a friend, you may do so; only one registration form is needed. List both names and expiration dates of MPE membership on the Registration Form. The fee will be \$10.00 if the two sellers are not both MPE members.
5. Free items will be placed in a separate location, so you don't need to include freebies with your projected number of items to sell. We do ask all who bring freebies to be responsible for picking up only items not taken.
6. Tables will be arranged in the gym according to elementary and high school levels.
7. Sellers are responsible to stay with their items and handle their own sales.
- *8. Because of the new policy of no charge to members, we require you to inform the coordinator by May 15 if you know you have had a change of plans and cannot attend. This will free the table up for someone on the waiting list. Failure to call the coordinator and simply not showing up will result in your being placed on a waiting list the next year instead of being allowed to be in the first sign-ups.
