

Hi Homeschoolers,

I would like to take this opportunity to share some exciting news with you about the Dual Enrollment Program at Aquinas College.

Our program offers academically talented home-schooled juniors and seniors the opportunity to experience a college classroom and earn college credit. At Aquinas College, students learn in a small, Christ-centered environment and receive personal attention from our renowned faculty, whose deep commitment to undergraduate teaching ensures a stimulating and challenging intellectual experience. All courses are freshman and sophomore level and normally transfer credit-for-credit to most institutions of higher education.

Not only will you receive a 25% discount for courses taught on our campus, but if you complete the Tennessee Dual Enrollment Grant Application, you will also receive \$100 per credit hour (up to \$300 per semester) to help cover the cost of tuition. Students who successfully complete courses will receive a \$1,000 scholarship should they decide to pursue a degree at Aquinas College after graduation.

Attached is an application for the Dual Enrollment Program, a handout discussing the Frequently Asked Questions concerning dual enrollment and a list of the courses available for the spring 2010 semester.

To be eligible for dual enrollment classes for spring 2010, you must meet each of the following requirements:

- * Have completed the equivalent of the sophomore year in high school
- * Have a minimum cumulative GPA of 3.2
- * Submit the Dual Enrollment Application with the \$25 non-refundable application fee
- * Submit transcript(s) of all high school courses completed and in progress
- * Complete Tennessee Dual Enrollment Grant form (if applicable)

After four years of serving Aquinas College Seth Spears has recently left Aquinas to pursue other interest, so please don't hesitate to contact me or Mandy Laszewski if you have any questions about Aquinas College or our dual enrollment program. You can contact Mandy at (615) 297-7545, ext. 426 or laszewksim@aquinascollege.edu.

Have a great day!

Connie Hansom
Director of Admissions
